VB

 Standalone day event proposed by CIfA covering Offshore development: shaping the legacy for marine archaeology

VB provided an update: date set for 27 November 2025 as an online only session: Offshore development: shaping the legacy for marine archaeology | CIfA

Small fee associated with the conference, as recommended by CIfA. VB went over the programme and agreed commitments from presenters. VB will follow up with session presenters and for CB/CIfA to get this live when all sorted.

Knowledge Hub

<u>The Standard and guidance for nautical archaeological</u> <u>recording and reconstruction</u> available on the hub for comment.

SS – word document uploaded on the Knowledge Hub for comment / track changes.

CB to share the link with Jasmin and Iro.

6. Communications

- Consultations and consultation responses MJ No updates
 - Updates from ClfA

CB - CIfA conference was busy and positive. Currently in a transition stage (CEO came and left, currently covered by two co-CEOs (Alex and Kate)); 3-year plan laid out which will simplify group regulations. Approval from CIfA will be forthcoming. CB can provide further information if anyone wishes.

 Register of archaeological divers / supervisors on MASIG / CIfA directory.

CB - In theory this is possible. Details need to be checked on a regular basis on the contact list. The list can be presented on the MASIG page or alongside MASIG page. MJ provided reason for this opportunistic list of archaeological divers. AJ – what details are required to set this up? CB - Provide something for members to opt in. Provide CB with details we want to be present/displayed (name; CIfA level; certification; contact details). This can be issue as an MS form via mailing list to members. AJ to set up the details required to circulate with CB. JNAPC representation (AJ/LT) LT - changing timings to accommodate wider group members. Next meeting on the 25 June 2025. MJ - Bob York who founded the JNAPC, stepped down and replaced by Dave Parham. LT - Dave will be attending the upcoming UNESCO meeting in Paris, funded by the HFF – pushing for UK ratification. 7. AOB AJ - PWA leaflets are ready for sharing / circulating. Ask CIfA or AJ for copies.		On the there are the transmitted to the transmitted
