

# **CIFA Geophysics Special Interest Group**

## **Outreach and Activity Plan.**

**2017-2022**

To guide the GeoSIG committee need to formulate a long term forward plan outlining the number of events/activities and outreach opportunities the group are going to support.

### **1.Objectives:**

- Hold a Biennial CIFA endorsed CDP event to support member's personal development within the industry.
- Send a representative from the GeoSIG committee to the CIFA annual conference to endorse the group.
- Hold discussion groups at CIFA events to receive feedback from members, and direct the group's activities.
